3. (1) The Loan will be made available to cover payments already made and/or to be made by importers in the Socialist Republic of Viet Nam to suppliers of eligible source countries under such contracts as have been and/or may be entered into between them for purchases of products, except such products as will be enumerated in a list to be mutually agreed upon between the authorities concerned of the two Governments, and/or for purchases of services incidental to the purchase of those products, provided that such purchases are made in such eligible source countries for products produced in and/or services supplied from those countries.

(2) The list mentioned in sub-paragraph (1) above may be modified by agreement between the authorities concerned of the two Governments.

(3) The scope of eligible source countries mentioned in sub-paragraph (1) above shall be agreed upon between the authorities concerned of the two Governments.

Record of Discussions

In connection with the Exchange of Notes between the Government of the Socialist Republic of Viet Nam and the Government of Japan dated January 16, 2017, concerning a Japanese loan up to the amount of ten billion yen to be extended with a view to promoting the economic stabilization and development efforts of the Socialist Republic of Viet Nam with particular focus on promoting the efforts by the Government of the Socialist Republic of Viet Nam for achieving both reduction of emissions of greenhouse gases and economic growth as well as for contributing to climate stability (hereinafter referred to as "the Exchange of Notes"), the representatives of the Vietnamese Delegation and of the Japanese Delegation wish to record the following:

1. With regard to sub-paragraph (1) of paragraph 3 of the Exchange of Notes, Japanese Note Verbale No. J.D. 3 dated January 16, 2017 and Vietnamese Note Verbale No.370/BKHDT-KTDN dated January 16, 2017, it was a shared view of the two Delegations that suppliers of eligible source countries mean nationals of the eligible source countries or juridical persons incorporated and registered in those countries, and which have their appropriate facilities for producing or providing goods and services in those countries and actually conduct their business there.

2. With regard to sub-paragraph (1) of paragraph 3 of the Exchange of Notes, the representative of the Japanese Delegation stated that the loan mentioned in paragraph 1 of the Exchange of Notes (hereinafter referred to as "the Loan") may be made available to cover payments already made and/or to be made since January 1, 2014.

3. With regard to paragraph 4 of the Exchange of Notes, the representative of the Japanese Delegation stated that the possibility of succeeding Japanese loans will be subject to confirmation of the performance and the progress achieved by the Government of the Socialist Republic of Viet Nam in implementing its policy document under the Support Program to Respond to Climate Change referred to in paragraph 1 of the Exchange of Notes.

4. With regard to paragraph 8 of the Exchange of Notes, the representative of the Japanese Delegation stated that:

(a) the necessary measures referred to in the said paragraph include measures preventing any offer, gift or payment, consideration or benefit which would be construed as a corrupt practice in the Socialist

Republic of Viet Nam from being made as an inducement to or reward for the award of the contracts referred to in sub-paragraph (1) of paragraph 3 of the Exchange of Notes;

(b) the Government of the Socialist Republic of Viet Nam will take all necessary measures to enable and facilitate ex-post procurement audit to be carried out by independent auditors which the Japan International Cooperation Agency (hereinafter referred to as "JICA") will designate and to be paid at JICA's expense, in order to ensure fairness and competitiveness of the procurement process, in case where JICA considers such audit to be necessary; and

(c) the products and/or services purchased under the Loan will not be used for the military purposes.

5. The representative of the Vietnamese Delegation stated that the Vietnamese Delegation had no objection to the above-mentioned statements by the Japanese Delegation.
